VISUAL IDENTITY 2

Horizons in Motion

New Horizons 2026 is about bringing people, ideas and opportunities together. The visual identity is built on a simple but powerful idea: individual paths move, intersect and create new possibilities — just like the conversations and partnerships that happen at the event.

The pattern visualizes this journey of connection and growth, while drawing inspiration from Jordan's rich architectural and cultural heritage.

MEET
Individual paths come together.

MATCH
Connections create new value.

GROW
New opportunities and broader horizons.

GEOMETRY
Inspired by geometric principles in Jordanian architecture.

OPENINGS
Reflects arches and doorways — symbols of new horizons.

PATTERNS
Draws from repetition and symmetry in traditional craft.

CONNECTION
Multiple paths intersect to create a new symbol.

EXPANSION
The motif scales into patterns and systems for any application.

A STRONG AND VERSATILE PALETTE

PATTERN SYSTEM

A FLEXIBLE AND COHESIVE VISUAL LANGUAGE

Our pattern system is built from a simple geometric idea — individual paths move, intersect and create new possibilities. Rooted in Jordanian heritage, it brings together people, ideas and opportunities in a modern, minimal and forward-looking way.

01. BUILDING BLOCK

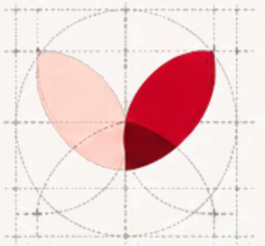

A. SINGLE PETAL
The basic shape.

B. INTERSECTION
Two petals create connection.

C. CORE MOTIF
Four petals form the horizon motif.

02. GEOMETRY & GRID

45° arcs, equal radius and consistent spacing create a balanced, scalable system.

03. COLOR RULES

Use the brand palette only. Combine solid and tonal fills for depth and clarity.

04. CORE PATTERN VARIATIONS

SINGLE PETAL
Base element for flexible layouts.

INTERSECTION
Creates connection and movement.

HORIZON MOTIF
Key brand symbol.

MODULAR GRID
Repeating motif for strong visual impact.

VERTICAL STRIP
For signage, banners and wayfinding.

CORNER
Used in covers, layouts and framing.

TONAL TEXTURE
Subtle background use.

LAYERED
Adds depth and visual richness.

FULL PATTERN
For large surfaces and immersive branding.

05. PATTERN SCALES

SMALL SCALE
For textures, backgrounds and subtle brand signals.

MEDIUM SCALE
For print, digital and event materials.

LARGE SCALE
